ANNOUNCEMENT:

President Johnson reminded members to register properly and to please advise us if you are unable to attend. Numbers for meals are requested by the Hotel at least 2 weeks before the event and PAID FOR. So when you consider \$60.00 a plate for dinner alone, that is a lot of money. As a board we are trying to be responsible so we do need your co-operation. We understand that things do happen last minute and do appreciate you notifying us. We are not having a formal meeting on Sunday morning this year. This alone saves us approximately \$5,000.00. However, we will give you an opportunity to come and meet us for coffee. On election year we do have to conduct formal business on Sunday morning.

BUDGET 2026

2025 – 13C

Moved by Malinda Skogan, Teulon
seconded by MaryAnne Bursey, Elm Creek
that the January 1 - December 31, 2026 Proposed Budget of the Manitoba Branch of CPAA / ACMPA in the amount of \$213,345.00 be adopted as presented.

BUDGET FORUM

President Johnson explained that now the costs of appeals on Long Term Disability Claims are shared 50/50 with our National Office. This involves the costs of hiring specialists to assist our members to have their claims assessed and hopefully approved.

Also you will notice that all our numbers are sort of even – well, the accounting program that Hope uses divides all numbers by 12. So we try to make that work as best we can.

2025 CONVENTION REPORT CONT'D

REPORT OF THE VICE-PRESIDENT 2025 – 14C

Moved by Malinda Skogan, Teulon
seconded by Annie Ramsey, Carberry
that the Vice-President's Report be accepted as presented.

Carried

Open Forum:

- a) How many Terms can an office have? Unlimited. There are concerns about moving a Term from 1 office to another as you may be displacing another member, and you may be leaving an office without a Term.
- b) What to do if a Term refuses to resign? Contact the Local Area Supervisor and discuss the situation. If a Term is not available to work after a length of time CPC has the authority not to relist that member.
- c) Pre-retirement leave – use it as soon as you are eligible. This is a benefit that if you do not use it, you will lose it. CPC does not pay it out. You can take 1 week (and it has to be a calendar week) per year, but you may take week 5 & 6 together. Anyone hired after 2016 is not entitled to Pre-retirement Leave. This is for all Postmasters, Senior Assistants, and Part Timers.
- d) Safety Lights in offices – if power outage happens, they only stay on for 30 minutes but the LAS expects the staff to work. This is a major Safety Issue. Always call your Union Rep if that happens.
- e) You are not covered by Insurance if you are coming in early to work, please work your schedule.
- f) Security Inspection – a member was told that all employees need to have ID's on them Branch Board is not aware of this requirement.
- g) Why is CPC sending members QR codes to access information? They should then be paying for our phones. They should be using their own RPOS system to distribute the information to their employees. You are not required to use your cell phone in any instance.
- h) RPOS needs a patch to make Event Manager accessible without using your phones. Should be happening soon.
- i) Postmasters and Senior Assistants are the only ones who get access to Event Manager on SAP, part timers and terms do not have access.
- j) Use emails to keep track of conversations with Management at all times so you have a paper trail. Also take notes of discussions so you have a back up.
